Re: Tonolli Corporation Site  
Carbon County, Pa.

Dear Ms. McCartney:

Regarding the EPA's letter of August 12, 1988, enclosed is a copy of my letter dated August 10, 1988 pertaining to the matter. Philips Lighting Company continues to have no position in the matter pending further review.

Please note, however, that we received copies of your notice at our Fairmont, West Virginia plant directed to both Philips and Westinghouse Electric Corporation. Be advised that we acquired the plant from Westinghouse in February, 1983 and it is no longer appropriate to address mail to Westinghouse at that location. We suggest you change your records to the following mailing address for Westinghouse:

Westinghouse Electric Corporation  
Westinghouse Building  
Gateway Center  
Pittsburgh, Pa. 15222

Very truly yours,

Gene Truncellito  
Associate Senior Counsel
